

3/19/04

Community Development Commission

March 18, 2004

To: Each Supervisor
From: Carlos Jackson, Executive Director

SUBJECT: ANNUAL CLEAN FUELS REPORT

This is in response to your policy on the expanded use of clean fuels for vehicles maintained by the Community Development Commission.

Vehicle Inventory

Alternative Fuel Vehicles

146

1

The alternative fuel vehicle is classified as (CNG/GAS). Due to the prohibitive costs and a limited budget, the Commission has not purchased alternative fuel vehicles in recent years. Currently, there is a downward trend in costs for hybrid (gasoline/electric) vehicles. If this trend continues, the Commission will make new efforts to purchase hybrid vehicles during the next replacement cycle of existing gasoline-burning vehicles.

If you have any questions regarding this information, please call me or Emilio Salas, Director of Administrative Services at 323.890.7491.
